

InterGlo Ministries

International Peoples/Global Discipleship

Why another new name: As emeritus missionaries, we are no longer an organic part of Boston and Beyond/Global Crossroads Ministries. My email address, which I established over 20 years ago at the very beginning of our stewardship, is bill@interglo.org. Now you know why.

Vision Statement: To make disciples of the ten major people groups of the world.

Mission Statement: To evangelize individuals within the ten major people groups who reside in the United States, and to disciple them to minister to their own people, globally.

Purpose Statement: We are a Christian ministry dedicated to joining our Savior in the building of His Church. Because we have unparalleled opportunities in the United States to do so, we are committed to doing so.

The Ultimate Goal: Our goal is to develop 10 discipleship centers within 10 global centers representing the 10 major people groups of the world.

Short Term Goals:

Develop a hospitality ministry which regularly hosts new international friends in our home.

Develop multiple evangelistic relationships with the various peoples of the world.

Develop evangelistic Bible studies with some of these individuals.

Develop discipleship studies with those who have believed, to prepare them to minister to others.

Study with depth to be prepared to give biblical answers to those who ask them.

Maintain our support level by proactively answering questions about what we are doing.

Develop our prayer team, particularly within the Golden Ager community.

Accountability:

To our sending church: International Baptist Church of Cambridge Massachusetts: The IBC will have members of the church meet with us regularly. We will send quarterly reports, as well.

The InterGlo Ministries board: When this board is established, it will be an accountability board.

To our supporting churches and individuals: We will send out regular email prayer letters reporting our progress. We will now report progress towards the goals listed above.

How will we know it is time to retire: 1) Deb and I will tell each other when it is time. 2) We have 5 wise adult children who will tell us when it is time to retire. 3) Our sending church will inform us when it is time. 4) If the Lord stops providing financial support for us, it will be time. 5) The InterGlo Ministries board will help us know. 6) When we accomplish the 'ultimate goal', it will then be time. 7) If we reach 90, it will be time.
